Supporting Instantaneous Driving Decisions through Trajectory Data

Jun Liu, Ph.D. Candidate
University of Tennessee, Knoxville
• **Question: What is aggressive/extreme driving?**

Data sources:
1. 2011 Atlanta Household and Activity Travel Survey
2. 2010 Knoxville TPO GPS data

For Drivers  Driving Assistance & ATIS

Data sources:
1. 2011 Atlanta Household and Activity Travel Survey
2. 2010 Knoxville TPO GPS data

For Traffic Management Center & ATIS

Operators identify dangerous driving conditions (e.g., slippery road surface) quickly.
